

I COMP ST NYC

Join the I Compost NYC Mapping Project today.

Sign-up today for a cleaner tomorrow.

Add your name to the tens of thousands of people standing up for curbside composting in New York City and for the planet earth, and let's build a better future together.

TAKE PART

- **Fill in** your composting information
- **Help populate** the I Compost NYC Map by borough
- Take our short **survey** and help provide valuable information to city officials and activist groups

Support the distribution of composting resources and information to the parts of the city that need it most.
